DETAILED ACTION

This Office Action is in response to Applicant's amendment, filed 6-9-04 which has been entered and considered. Cancellation of claim 6 is acknowledged.

Election/Restrictions

This application is in condition for allowance except for the presence of claims 18-30 drawn to an invention non-elected with traverse in the reply filed on 1-20-04. In a telephone conversation with Steve Stanton on 8-26-04, permission was given to cancel said non-elected claims. Said claims 18-30 have accordingly been cancelled.

Claim Rejections - 35 USC § 112

The rejection of claims 7-17 under 35 USC 112, first paragraph made in prior Office Action is hereby withdrawn, subsequent to corrections made by Applicant in amendment filed 6-9-04.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance for claims 1-5 and 7-17:

Dependent claim 6 was previously allowed, contingent upon re-writing said claim into independent claim form. Independent claim 1 has been re-written to incorporate dependent claim 6. Therefore, claims 1-5 are now in allowable form. Dependent claim 6 has been cancelled.

Claims 7-17 were conditionally allowed in previous Office Action, based upon correction of a 35 USC 112, first paragraph rejection to said claims and a subsequent search. Independent claims 7 and 13 have been corrected to overcome said 112 rejection of claims 7-17, and a current search has been conducted of all claims pending. The prior art of record does not teach or disclose or make obvious the invention of independent claims 1, 13, or 17, thereby placing this application into allowable form.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
